

The Ninth Annual Southwestern Pennsylvania Engineering Outreach Golf Outing and the 2010 SPEO Awards Reception and Dinner

The Southwestern Pennsylvania Engineering Outreach (SPEO) Ninth Annual Golf Outing will be held Monday, June 28, 2010 at Churchill Valley Country Club. The Club is easily assessible from the Churchill exit on the Parkway East (I-376). Directions are included with this package.

The primary objective of the SPEO program is to support, mentor and provide networking opportunities for existing minority and women-owned engineering, architectural and technology related firms in the Pittsburgh region in order for them to expand their business capabilities and enhance their long-term viability. The program provides the opportunities and resources necessary to meet this goal. The secondary objective is to develop new Pittsburgh based minority and women-owned firms over time. The SPEO Golf Outing is our major fundraising event of the year and will give you excellent opportunities to network with individuals from MBE and WBE firms, individuals from firms providing mentoring to our members and other friends of SPEO while enjoying a wonderful day and evening, all while providing much needed support to an organization dedicated to making a difference.

Our day will begin with a cookout buffet lunch beginning at 11:00 AM. Golf will begin with a shotgun start at 12:30 PM. Golf is followed by the SPEO Awards Reception and Dinner. The Awards Reception and Dinner will be MC'd by a key performer from the Pittsburgh Steelers Super Bowl Champions of the 70's – Mr. L. C. Greenwood.

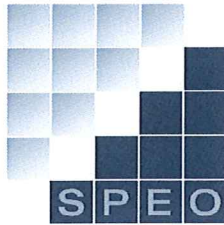

There will be awards presented for golf skill and team accomplishments. As we finalize the tournament format, attention is being given to all levels of skill having an opportunity to win. The basic format will be a scramble. The tournament rules will dictate limits on use of drives per person.

In addition to tournament prizes, we will raffle prizes donated for this event. The raffle will include a variety of items from our members and the community. If you desire to contribute a prize (or prizes), please contact Kathy Chavara at 412-459-0114 or kchavara@collectiveefforts.com.

Attached is an entry form and information to register. Please take note of the opportunity to sponsor a hole or a tee and be recognized in the SPEO Ninth Annual Awards Reception and Dinner Program AND with a sign at a location on the golf course.

For more information about SPEO's mentoring and protégé opportunities, questions or membership, please contact Raymond Meyer (raymond.meyer@alcosan.org or 412-734-8737).

We appreciate your support of this extremely worthwhile program to mentor and support MBE and WBE engineering firms in the Pittsburgh region, as well as secondary school students with a desire to enter math and science related careers. While we anticipate a fun day on the golf course, take the opportunity to network for business reasons and to learn more about SPEO and how you can support this ambitious organization and our protégé members!

Getting Here

From Pittsburgh

Take I-376 East to Exit 10A (Old Exit 13) At the stop sign, turn right. Bear right at the light, stay straight thru the next light as well as the following blinking lights. We are down the hill on the left just after the cart bridge over the road.

From Monroeville

Take I-376 West to Exit 10A (Old Exit 13) Be aware that you exit to your left. Turn right at the light. We are straight down the hill on the left just after the cart bridge over the road.

From Route 22 in Monroeville

Stay in the right lane and take the Churchill exit. Turn right at the second stop sign. We are straight down the hill on the left, just after the cart bridge over the road.
